

REMARKS

In response to the Office communication and the requirement of an election of species, Applicants elect, with traverse, the species of a composition comprising:

Pilocarpine in the salt form,
methylcellulose,
sorbitol,
sodium or disodium hydrogen phosphate,
magnesium stearate,
polyethylene glycol,
hyaluronic acid, and
lysozyme chlorohydrate.

Applicants believe that at least claims 1-11 and 13-20 read on the elected species. The reasons for traverse as set forth in the November 6, 2009 Amendment are once again applied. Accordingly, Applicants request examination of the full scope of all of claims 1-20.

Should there be any matters that need to be resolved in the present application, the Examiner is respectfully requested to contact the undersigned at the telephone number listed below.

The Commissioner is hereby authorized in this, concurrent, and future replies, to charge payment or credit any overpayment to Deposit Account No. 25-0120 for any additional fees required under 37 C.F.R. § 1.16 or under 37 C.F.R. § 1.17.

Respectfully submitted,

YOUNG & THOMPSON
